

MATCHING GATES & ACCENT GATES

Shown: VBG4-46 Lattice Accent Gate for the V3215D-6 Sections

The Illusions Vinyl Fence QuickShip® program features matching 4' walk and 5' drive gates for all styles. There are also custom accent gates available for a hand picked high impact selection of styles. Featured accent gates are the extremely popular VBG2 arched top rail privacy style and the VBG4 arched top rail privacy with lattice gate. **Looking for a little something extra?** Invite your friends and family to your outdoor living space through a regal looking arbor, or a Majestic Entranceway complete with 8" x 8" Majestic Posts.

The Best In The Business

NEW!

The popular VBG2 style is also available in Grand Illusions Vinyl WoodBond
